3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

Judge Hannah C. Dugan violated  
my constitutional rights. Filed with  
this complaint are Evidence of her  
crimes. Case # 2015SC023426. Case  
has been open since 4-28-2015. She  
violated my right to a speedy trial.  
I challenged Jurisdiction and She  
ignored it. She said Jurisdiction  
was not an element of the case.  
Jurisdiction can be challenged at any time

I wanted to proceed *propria persona* or Pro Per and she ignored that, she threaten me to go to a competency hearing otherwise I would go to jail. I went twice and cooperated but she still sent me to jail. Did not listen to my side at all.

As a judge she is suppose to uphold the constitution and make sure every thing is fair. She failed to comply with that and always sided with the state.

As a person you are innocent until proven guilty. I was falsely incarcerated. Dr. Collins lied in her competency report

All the Documents & evidence will be attached.

The Judge is forcing me to give up my Personam Jurisdiction by putting me in Jail and taking me to a mental institute.

The reason This case came about is because the officer asked for my id. I told him I didn't have my id but I was traveling and did not want to create a powder. under protest, threat and duress I gave him my name because I really didn't have my id. Then he forced me out of the car roughly. Did an illegal search with no search warrant. He then put me in Jail.

Since then I haven't went back. Justice point was clean. Didn't have any problems on probation. Just got released from it, now the State is twisting the law and I am scared for my life. witness to the crimes!

Another record of Events.

Went to change my competency date. I was recording and the bailiff put me in handcuffs and forced me to get rid of my recording. This whole case I been scared for my life.

Amendments broken

Sixth amendment: Asked for a speedy trial when I st. incarcerated. Motion was ignored. Lawyer was forced upon me when I wanted to proceed pro per

Amendment 4: Searched my private conveyance without permission & seized property

Amendment 9: She took away my right to travel in my own private conveyance and the right for freedom of speech in public places and the right to represent my self pro per

Amendment 14 Section 1: All of my rights and privileges were ignored. The Judge is forcing me base on a mental evaluation to proceed with a lawyer or prose which gives the courts automatic jurisdiction over the person.

I am not a corporation nor have I made a contract with the courts saying they have a right to try my case or give me a ticket.

14th Amendment Says that the state cannot enforce laws that abridge my privileges. Traveling is a privilege. The state is forcing me to do what they want. They incarcerated me falsely and forcefully. I am still hurting from when they slammed me to the ground. I did NOTHING WRONG! All I asked for was to proceed propria persona and see proof of
